

Jonathan V. Wright, M.D.

7 February 1945

A.B. Harvard University 1965

M.D. University of Michigan 1969

Internship-Residency in Family Practice, Group Health Hospital, Seattle, Washington, 1969-1971

Staff Physician, Group Health Hospital and Clinics, 1971-1973

Medical Practice, Tahoma Clinic, Renton, Washington, 1973-present. Clinic emphasis is on preventive medicine, nutritional biochemistry, allergy, anti-aging, and natural hormone replacement therapy.

BOARD OF DIRECTORS:

Bastyr College of Naturopathic Medicine (now Bastyr University)
Seattle, Washington, 1981-1993
(Variously Board Chair, Vice Chair, Member)

Seattle King County Natural Medicine Clinic
Kent, Washington, 1996-1999

Board of Advisors, The Life Extension Foundation
Fort Lauderdale, Florida, 1997-present

Trustee, King County Harborview Medical Center, Seattle, Washington
Since September 2002, serving on the Board of Trustees

With Alan Gaby, M.D. Researcher/Developer of **Wright/Gaby Research Files**, an extended compilation of photocopies of 30,000+ medical journal articles accumulated and reviewed in over 12,000 hours of library research since 1969. The articles include both basic and clinical research related to prevention and treatment of disease with diet and nutrients. Major journals (JAMA, Lancet, NEJM, etc.) have been completely reviewed back to 1920. More than 300 others have been reviewed from 1985 to the present.

Taught three-day intensive seminar for physicians: **“Clinical Applications of Nutritional Biochemistry”** later titled **“Nutritional Therapy in Medical Practice”**:

San Francisco	1983	New York City	1984
Los Angeles	1985	Chicago	1986
Orlando	1986	San Jose	1986
New York	1987	New York	1988
(Rhinebeck)		(Rhinebeck)	
San Francisco	1990	Santa Monica	1991
San Francisco	1994	Seattle	1996
Seattle	1998	Seattle	2003
		Las Vegas	2007

With the Bioidentical Hormone Society and the International Bioidentical Hormone Society, served as key speaker in 4-day seminars teaching clinical aspects of bioidentical hormone supplementation to health professionals:

Whitefish, MT	January 2005
San Diego, CA	September 2006
Singapore	October 2006
Hollywood, CA	February 2007
Las Vegas, AZ	September 2007
Las Vegas, AZ	February 2008

Editorial Board, Journal of Nutritional Medicine (U.K.)

Director, Neural Tube Defect Folic Acid Prevention Study

1980-1986. Approved by the Spina Bifida Association of America.

This project explored the possibility of prevention of spina bifida with folic acid.

Author, “Prevention Clinics”

Monthly case-study column, *Prevention Magazine*, 1976-1985.

106 cases with documentation written and published.

Author, “On Call”

Monthly case-study column, *Let’s Live Magazine*, 1986-1996, 97 columns.

Intermittent Monthly Columnist, Health Freedom News, 1985-2000.

Editor, Nutrition & Healing Newsletter, 1994-present

BOOKS:

“Book of Nutritional Therapy”

Rodale Press, 1979 (800,000 copies sold to date).

“Guide to Healing with Nutrition”

Rodale Press, 1984 (200,000 copies sold to date).

Co-Author, “Natural Hormone Replacement for Women Over 45”

Smart Publications, 1997 (200,000 copies sold to date).

Co-Author, “The Natural Pharmacy”

Prima Health, 1998.

Co-Author, “Maximize Your Vitality & Potency for Men Over 40”

Smart Publications, 1999.

Co-Author, “Natural Medicine, Optimal Wellness”

Vital Health Publishing, 2006

Reprinted from **“The Patients Book of Natural Healing”**, Prima Health, 1999.

Co-Author, “Why Stomach Acid Is Good For You”

M. Evans Co., Inc., 2001

Co-Author, “D-Mannose and Bladder Infections”

Dragon Art, 2001

Co-Author, “Xylitol: Dental and Upper Respiratory Health”

Dragon Art, 2003

Co-Author, “Thriving Through Dialysis”

Dragon Art, 2006

Observations On the Interpretation of Hair Mineral Analysis in Human Medicine. *Journal of International Acad. Pre. Med.*, 1982; April; 13.

HONORS AND AWARDS:

International Hall of Fame, Literary Medical Award

Recognized for the volumes of work, research and publications exploring allopathic medicine and naturopathic medical care.

Linus Pauling Award

Presented for leadership in orthomolecular medicine at all levels: research, laboratory, education and the political struggle for medical freedom. Commended for medical discoveries and applications that greatly furthered the practice of nutritional medicine.

Pioneer Award, 2003

In recognition of courageous and pioneering work to protect and promote access to natural remedies and dietary supplements. To recognize the “generosity of spirit” that has led to the education of others.

PROFESSIONAL MEMBERSHIPS:

American Academy of Environmental Medicine
American College for Advancement in Medicine
American College of Nutrition
Association of American Physicians and Surgeons
British Society for Nutritional Medicine
International College of Integrative Medicine
International Society for Trace Element Research in Humans
Society for Orthomolecular Health & Medicine
